**OPERATING LEASE AND MAINTENANCE AGREEMENT
BETWEEN
LAKE COUNTY, FLORIDA AND
HIGHLAND TRACTOR CO.
FOR WHEEL LOADER
RFP 13-0314**

THIS OPERATING LEASE AND MAINTENANCE AGREEMENT is made by and between Lake County, Florida, a political subdivision of the State of Florida, hereinafter the "County", and Highland Tractor Co., a Florida corporation, authorized to do business in the State of Florida, its successors and assigns, hereafter "Lessor".

WHEREAS, the County has publicly issued a Request for Proposal, RFP #13-0314, in accordance with the Lake County Purchasing Policies and Procedures for firms qualified to provide one (1) Wheel Loader for the Lake County Public Works Department, Division of Solid Waste; and

WHEREAS, the Lessor desires to provide and maintain such equipment subject to the terms of this Agreement.

NOW, THEREFORE, IN CONSIDERATION of the mutual terms, understandings, conditions, premises, covenants and payment hereinafter set forth, and intending to be legally bound, the parties hereby agree as follows:

1. **Recitals.** The foregoing recitals are true and correct and incorporated herein.
2. **Lease Term.** The Lease term for each unit identified in the Equipment and Payment Schedule attached hereto and incorporated herein by reference as **Exhibit A**, shall commence on its "Delivery Date", which is the date the County takes possession of the Equipment, and shall continue for a period of eighteen (18) months, unless otherwise terminated. All parties agree that title to the Equipment shall at all times remain with the Lessor during the lease term and renewal term, if any. The County will not accept any U.C.C. filings, nor will the County provide a IRS Form 8038/8038G.
3. **Payments.** During the lease term, the County shall make all lease payments on a timely basis, including lease payments that are required to be made in the renewal term, if any. See the Equipment and Payment schedule attached hereto as **Exhibit A**. The County shall not be entitled to cancel or terminate this Lease except as expressly provided herein. Any lease payment received from the County shall be applied to this Lease. Payments shall be made in accordance with the Florida Prompt Payment Act, Chapter 218, Part VII, Florida Statutes.
4. **Option to Renew; Option to Purchase.** The initial Lease Term may be renewed for successive one (1) year periods at the same pricing, terms and conditions contained herein, upon sixty (60) days written notice to the Lessor prior to the expiration of the then current lease term. If the County is not in default under this Lease, the County may purchase any particular

item of equipment on the lease termination date, or any renewal thereof, at the fair market value of the equipment. Fair market value shall be determined by reference to recent sales of used equipment of similar type and condition and/or by reference to the Green Guide Construction Equipment, published by PriMedia Books, current as of the time the County exercises the purchase option. If the parties cannot agree on the fair market value based upon sales of similar equipment or by use of the Green Guide Construction Equipment, the parties agree to have the Equipment valued by an independent appraisal company, mutually agreed upon, specializing in this type of equipment, and to equally divide the cost of such appraisal. To exercise the purchase option the County must notify the Lessor sixty (60) days prior to the end of the initial Lease Term, or applicable renewal term.

5. **Assignment.**

A. No assignment of the payments under this Lease, or assignment of any right or obligation hereunder may be made by the County or by the Lessor without the prior written consent of the other. In the event that the Lessor assigns this Lease with permission of the County, the assignee shall agree in writing to assume all obligations contained within this Lease, including all maintenance responsibilities described herein upon failure of the Lessor to fulfill such maintenance obligations. Failure of assignee to assume all responsibilities hereunder shall void the assignment. Lessor shall remain liable for its performance under this Lease regardless of any assignment. The County shall have the right to review the assignment and shall be provided a copy of any associated documents perfecting the assignment.

B. Assignments shall be in the form and manner set forth in **Exhibit B**, attached hereto and incorporated herein by reference. The County shall not make any payments to assignee, until such time as a copy of the fully executed Assignment is delivered to the County.

6. **Service and Use of Equipment.** Lessor shall provide, at no cost to the County, operator training to County sufficient to ensure efficient operation of the Equipment and shall provide at least two (2) copies of service, parts and operator's manual to County. County shall only be responsible for daily fueling, checking of fluid levels and adding fluid if necessary, and/or greasing of fittings if required. Otherwise, all service, maintenance and repairs shall be the responsibility of the Lessor and shall be conducted in accordance with the following:

A. **Operational Condition.** The Equipment shall be well maintained in top operating condition with 100% of all parts, components, and systems operational. All pin, hitches and moving parts shall be tight and within manufacturer's standards or tolerances. Engines, transmissions, drive axles, and hydraulic systems shall be in peak operational condition at all times absent of leaks, blowby, reduced hydraulic pressures or driveline noise.

B. **Downtime.** Should the Lessor fail to complete the required service, maintenance, or repairs and return the Equipment to duty, or should the Lessor

fail to supply the necessary parts or labor to effect the repair within forty-eight (48) continuous hours, including holidays, Saturdays and Sundays, from telephonic notification, followed by written confirmation, by the County to the Lessor, a delay charge equal to eight hundred dollars (\$800.00) per calendar day, per unit shall be deducted from any leasing charge or maintenance fee schedules. Lessor shall be given the option of furnishing like equipment in lieu of the delay charge. Delay charges shall not be charged when the delay is a result of a natural disaster.

C. Transportation. All transportation for service, maintenance and repair shall be the responsibility of the Lessor.

Lessor shall be entitled to inspect the Equipment during regular business hours at County's place of business. County shall not install any accessory or device on the Equipment, except for such as may be removed without affecting the originally intended function or use of the Equipment. The County shall be entitled to unlimited usage of the Equipment during the Lease Term.

7. Scope of Service, Maintenance and Repair.

A. General. The Lessor shall be responsible for all service, maintenance and repair, both scheduled and unscheduled during the Lease Term in accordance with the following:

1) This agreement includes all parts, filters, oils, and other fluids (excluding top-off lubricants and fuel), delivery freight charges, labor travel time and/or mileage charges to complete recommended preventive maintenance, oil sampling at 250 hours, and to complete any repairs not covered by warranty during the contract term.

2) Special arrangements may be made to complete repair work on Saturdays, Sundays, or holidays if the County grants permission to access the machine during those days. Lessor must approve all requests for overtime labor before work begins.

3) Lessor shall furnish all tools and equipment necessary for normal field adjustment of the equipment.

4) Parts orders received by Lessor Monday through Friday, 7:30 am to 1:30 pm, will be shipped the same day. Parts required for warranty repair are shipped for delivery the next business day, excluding Saturdays, Sundays, and holidays.

5) Lessor will assume that cosmetic damage is normal wear and tear, and since all maintenance and repair is the responsibility of the Lessor, no claim for damages based upon abnormal wear and tear shall be made. Cosmetic damage shall include minor scratches or dents, but shall not include the following specifically limited items: (1) large dents covering 25% or more of the individual

parts surface area in the sheet metal; (2) guards; (3) broken glass; or (4) broken lights so long as such things are not caused by the negligence of the Lessor. The following shall also apply:

- a. Lessor must provide immediate inspection at the time the Equipment is returned to Lessor by the County, or else Lessor waives any claims it may have regarding damage to the Equipment.
- b. Lessor must provide an estimate to repair the non-cosmetic damage to the Lessee.
- c. County has the right to fix the non-cosmetic damage within a reasonable amount of time if Lessor's repair estimate is deemed unacceptable by the Lessee.

B. Repair Requests.

- 1) All requests for scheduled service or repairs will be directed to the Lessor.
- 2) Requests for PM service must be requested a minimum of one week prior to the next scheduled interval and will be completed during normal business hours.
- 3) If repairs are required, the Lessor will arrange on-site service response and will notify County immediately if the equipment is inoperable.

8. County's Responsibilities.

- A. Lake County will be responsible for the daily fueling, checking of fluid levels (adding if necessary), and/or greasing of fittings (if required).
- B. Lake County will be responsible for completing mandatory daily and weekly maintenance and inspection requirements as outlined in the Lessor's service manual and the engine manufacturer's maintenance schedule.
- C. The County is required to report any failure of the wheel loader's hour meter.

9. Return of Equipment. With respect to the Equipment, upon termination of this Lease, or any renewal thereof, or if the above option to purchase is not exercised, the County shall return the Equipment, at the Lessor's expense, to Lessor at a location designated by the County.

10. Disclaimer. County agrees that the Equipment has been selected by the County; the Equipment has been inspected by the County and County is satisfied that the Equipment is

suitable for its purpose; Lessor is not the manufacturer of Equipment; and Lessor has not made any express warranties regarding this Equipment.

11. Insurance. County shall maintain public liability insurance on the Equipment with a minimum liability limits in the amount of \$1,000,000.00 per occurrence for bodily injury, including death, and in the minimum amount of \$250,000.00 per occurrence for property damage. County shall deliver to the Lessor, upon request, certificates or other evidence satisfactory to Lessor that insurance is maintained as required under this Lease. Lessor shall provide and maintain during the entire term of this Agreement insurance in the following types and limits with a company or companies authorized to do business in the State of Florida and which are acceptable to the County. Lessor shall not commence work under the Agreement until the County has received an acceptable certificate or certificates of insurance evidencing the required insurance, which is as follows:

- (i) General Liability insurance on forms no more restrictive than the latest edition of the Commercial General Liability policy (CG 00 01) of the Insurance Services Office or equivalent without restrictive endorsements, with the following minimum limits and coverage:

(x) The County shall be exempt from, and in no way liable for, any sums of money which may represent a deductible or self-insured retention in any insurance policy. The payment of such deductible or self-insured retention shall be the sole responsibility of the lessor and/or subcontractor providing such insurance.

Failure to obtain and maintain such insurance as set out above will be considered a breach of contract and may result in termination of the contract for default.

Neither approval by the County of any insurance supplied by the vendor or subcontractor, nor a failure to disapprove that insurance, shall relieve the lessor or subcontractor of full responsibility for liability, damages, and accidents as set forth herein.

12. Loss or Damage.

A. All risk of loss or damage to the Equipment shall be the responsibility of the County, with exception of loss or damage resulting from the failure of Lessor to maintain the Equipment in accordance with this Lease. If any unit becomes stolen, destroyed or irreparably damaged from any cause other than from acts of the Lessor during the Lease Term, County shall give Lessor prompt notice thereof. County shall, in its sole discretion, elect to use the proceeds from any insurance claim to be applied to the repair of the Equipment or to payment of any obligation hereunder.

B. The County shall be responsible for injury or death of any person, to the extent permitted by section 768.28, Florida Statutes that arises out of County's possession, use, operation or storage of the Equipment.

13. **Fees and Property Taxes.** Unless otherwise provided herein, the County shall not be responsible for any taxes and fees.

14. **Event of Default.** A party shall be in default of this Lease by failing to perform or observe any covenant or condition contained herein that such party is required to perform and where such failure continues for a period of ten (10) days after written notice thereof is sent to the defaulting party by the non-defaulting party.

15. **Remedies.** Upon default by either party under this Lease, the non-defaulting party may avail itself of any remedy available pursuant to Florida law, including terminating the remainder of this Lease agreement.

A. **Termination for Cause.** Termination by County for cause, default, or negligence on the part of Lessor shall be excluded from the foregoing provision. Termination costs, if any, shall not apply. The 30-day advance notice requirement is waived in the event of termination for cause.

B. **Non-appropriation of Funds.** If funds are not budgeted and appropriated in any fiscal year for payments hereunder for the then current or succeeding fiscal year, this Lease shall impose no obligation on the County as to such current or succeeding fiscal year and shall become null and void except as to the lease payments herein agreed upon for which funds shall have been appropriated and budgeted, and no right of action or damage shall accrue to the benefit of Lessor, its successors and assigns. If the provisions of this section are used by the County, the County agrees to notify Lessor, or its assigns, immediately if funds are not budgeted and to surrender peacefully possession of the equipment to Lessor or its assignee.

17. **Notices.** Wherever provision is made in this Agreement for the giving, service or delivery of any notice, statement or other instrument, such notice shall be in writing and shall be deemed to have been duly given, served and delivered, if delivered by hand or mailed by United States registered or certified mail or sent by facsimile, addressed as follows:

19. **Waiver.** The failure of any party hereto at any time to enforce any of the provisions of this Agreement will in no way constitute or be construed as a waiver of such provision or of any other provision hereof, nor in any way affect the validity of, or the right thereafter to enforce, each and every provision of this Agreement.
